Equestrian Canada Statement of Principles

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

All Persons shall be committed to:

- upholding the welfare of horses, regardless of value, as a primary consideration in all activities;
- requiring that horses be treated with kindness, respect, and the compassion that they deserve, and that they never be subjected to mistreatment;
- ensuring that all equestrians including owners, trainers, and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;
- providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, and safety as a matter of standard operating procedures;
- providing current information on the Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- continuing to support scientific studies on equine health and welfare;
- requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competition; and

- actively promoting the development and adherence of competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive nor inhumane.

Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judges in accordance with the EC Rule Book **(A602.2)**

Staff Building

This building has 2 bathrooms each with 2 stalls.

There are 3 individual shower areas.

Some rooms have a small fridge and a microwave, no guarantees if you have one or not but there is a large common kitchen like area with a refrigerator.

5 rooms each with 2 twin beds \$65 per night, bedding included

1 room with 1 twin bed \$40 per night, bedding included

1 room with 3 sets of twin bunk beds (sleeps 6) \$75 per night, bring your own bedding

1 room with 2 sets of twin bunk beds (sleeps 4) \$60 per night, bring your own bedding

Camper Cabins

There are a total of 3 cabins. Each cabin is split into 3 distinct areas those being an upper cabin and 2 halves of a lower cabin. Each area has its own full bathroom so 3 in total for each complete cabin. You need to bring your own bedding for the cabins.

Upper Cabin has one room with 2 bunks and then a rather large open area with probably 10-12 sets of bunks (sleeps ???, lots) \$120 per night for an entire upper cabin, Upper cabins have an area where a coffee pot could go.

Lower Cabin has one room with 3 sets of bunks (sleeps 6). There is a door that joins 2 lower cabins so if a group rents an entire bottom it could be set up to allow full access to both sides. Benefit of this would be access to 2 full bathrooms. \$75 per night per lower section.

If you want a more private bathroom, chose a cabin.

If you want to bring a dog you **MUST** check with the show secretary ahead of time. Contact show secretary **NOT** Saddlewood with bookings or questions on availability.
